
1981
Vincentian

We, the staff of the 1981 Vincentian, take pride in dedicating this year's yearbook to our advisor, Sister Mary Rita Zagst. She has served as prinipal, newspaper and yearbook sponsor, teacher, and head of the Math Department. Through her hard work, continuous effort, and understanding ways, Sister Rita has become one of St. Vincent's most valuable assets.

Go-Getters of 1981

Through hard work, enthusiasm and school pride nineteen students earned the distinction of being the 1981 Go-Getters. With much dedication these girls sold $200 or more of yearbook advertisements to make the 1981 Vincentian possible.

The Go-Getters are Pam Allen, Lisa Badzik, Susan Brocato, Lynn Carpenter, Nancy Clearkin, Mary Elford, Julie Escude, Rosemary Fiorentino, Ann Katzenstein, Laura Mailhes, Malissa Mandina, Debbie Maniscalco, Elizabeth Moore, Amy Oakes, Caroline Picard, Kellye Smith, Jenny White, Anne Wilson. Special recognition goes to the four-year Go-Getter Ann Katzenstein (top left); and the top Go-Getter Nancy Clearkin (top right).

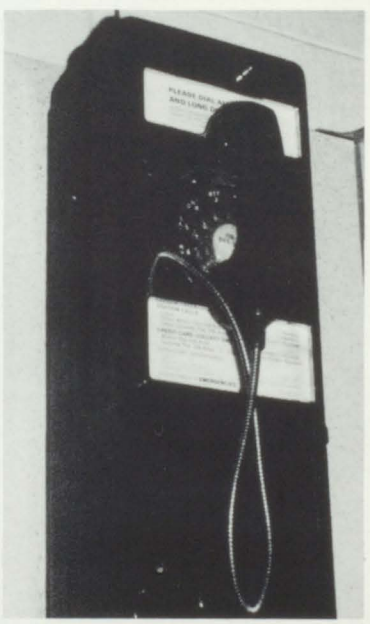

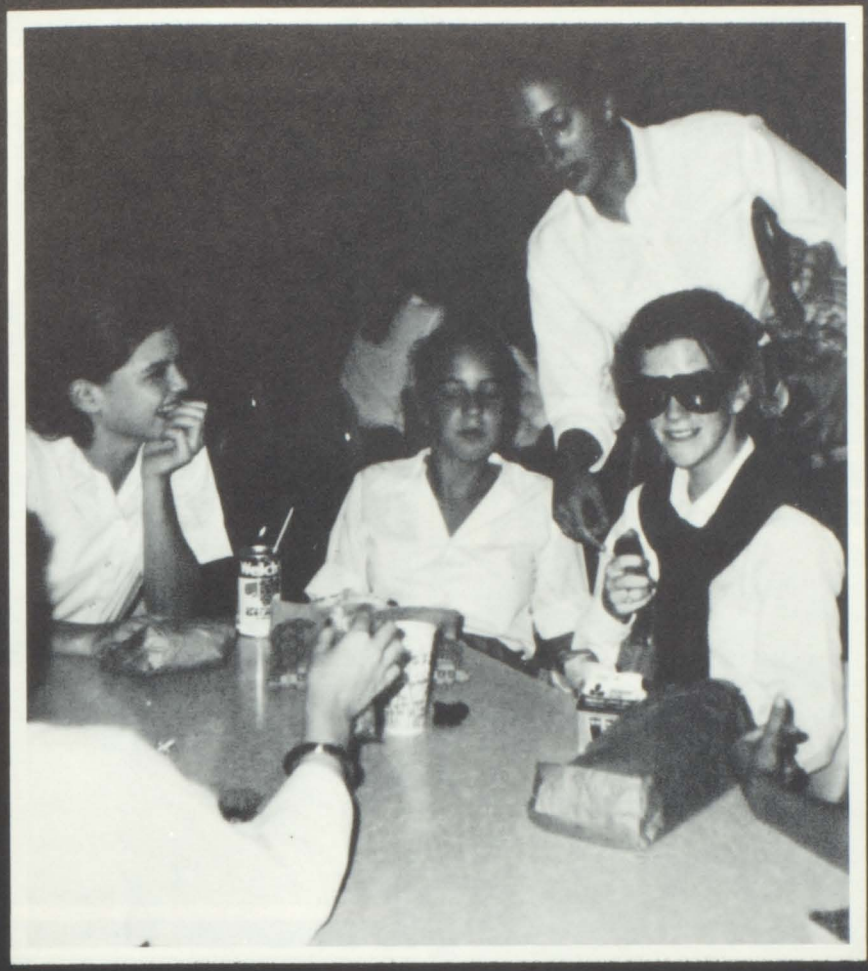

All life like a fabric is woven
And textured by things that we
do;

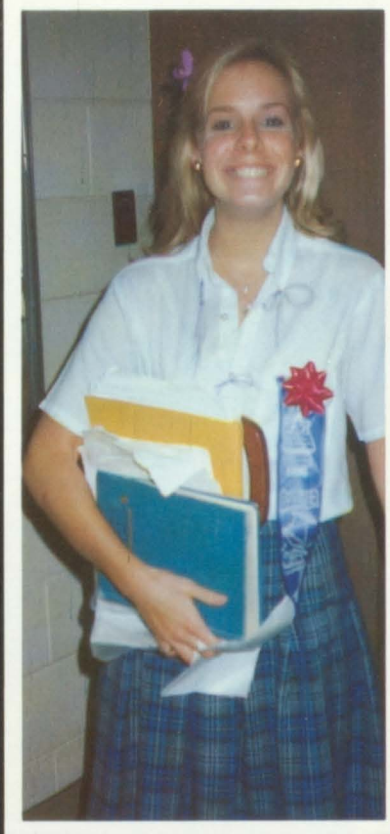

Our dreams and our duties make
patterns
Each day we start weaving anew.

Judicious and careful in planning,
Let us weave the pattern just right:

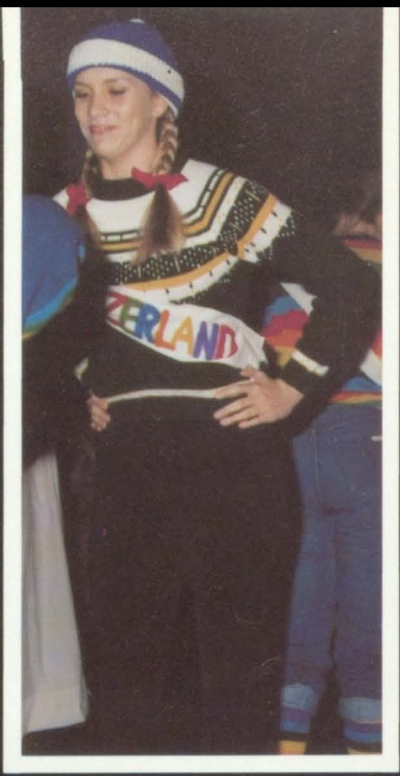

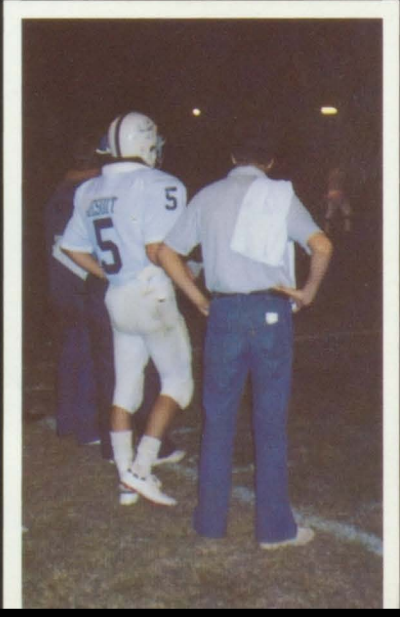

All duties will make it too heavy ...
It needs a few dreams to give light.

But dreams and mere dreaming can never
Let life reach its ultimate goal:

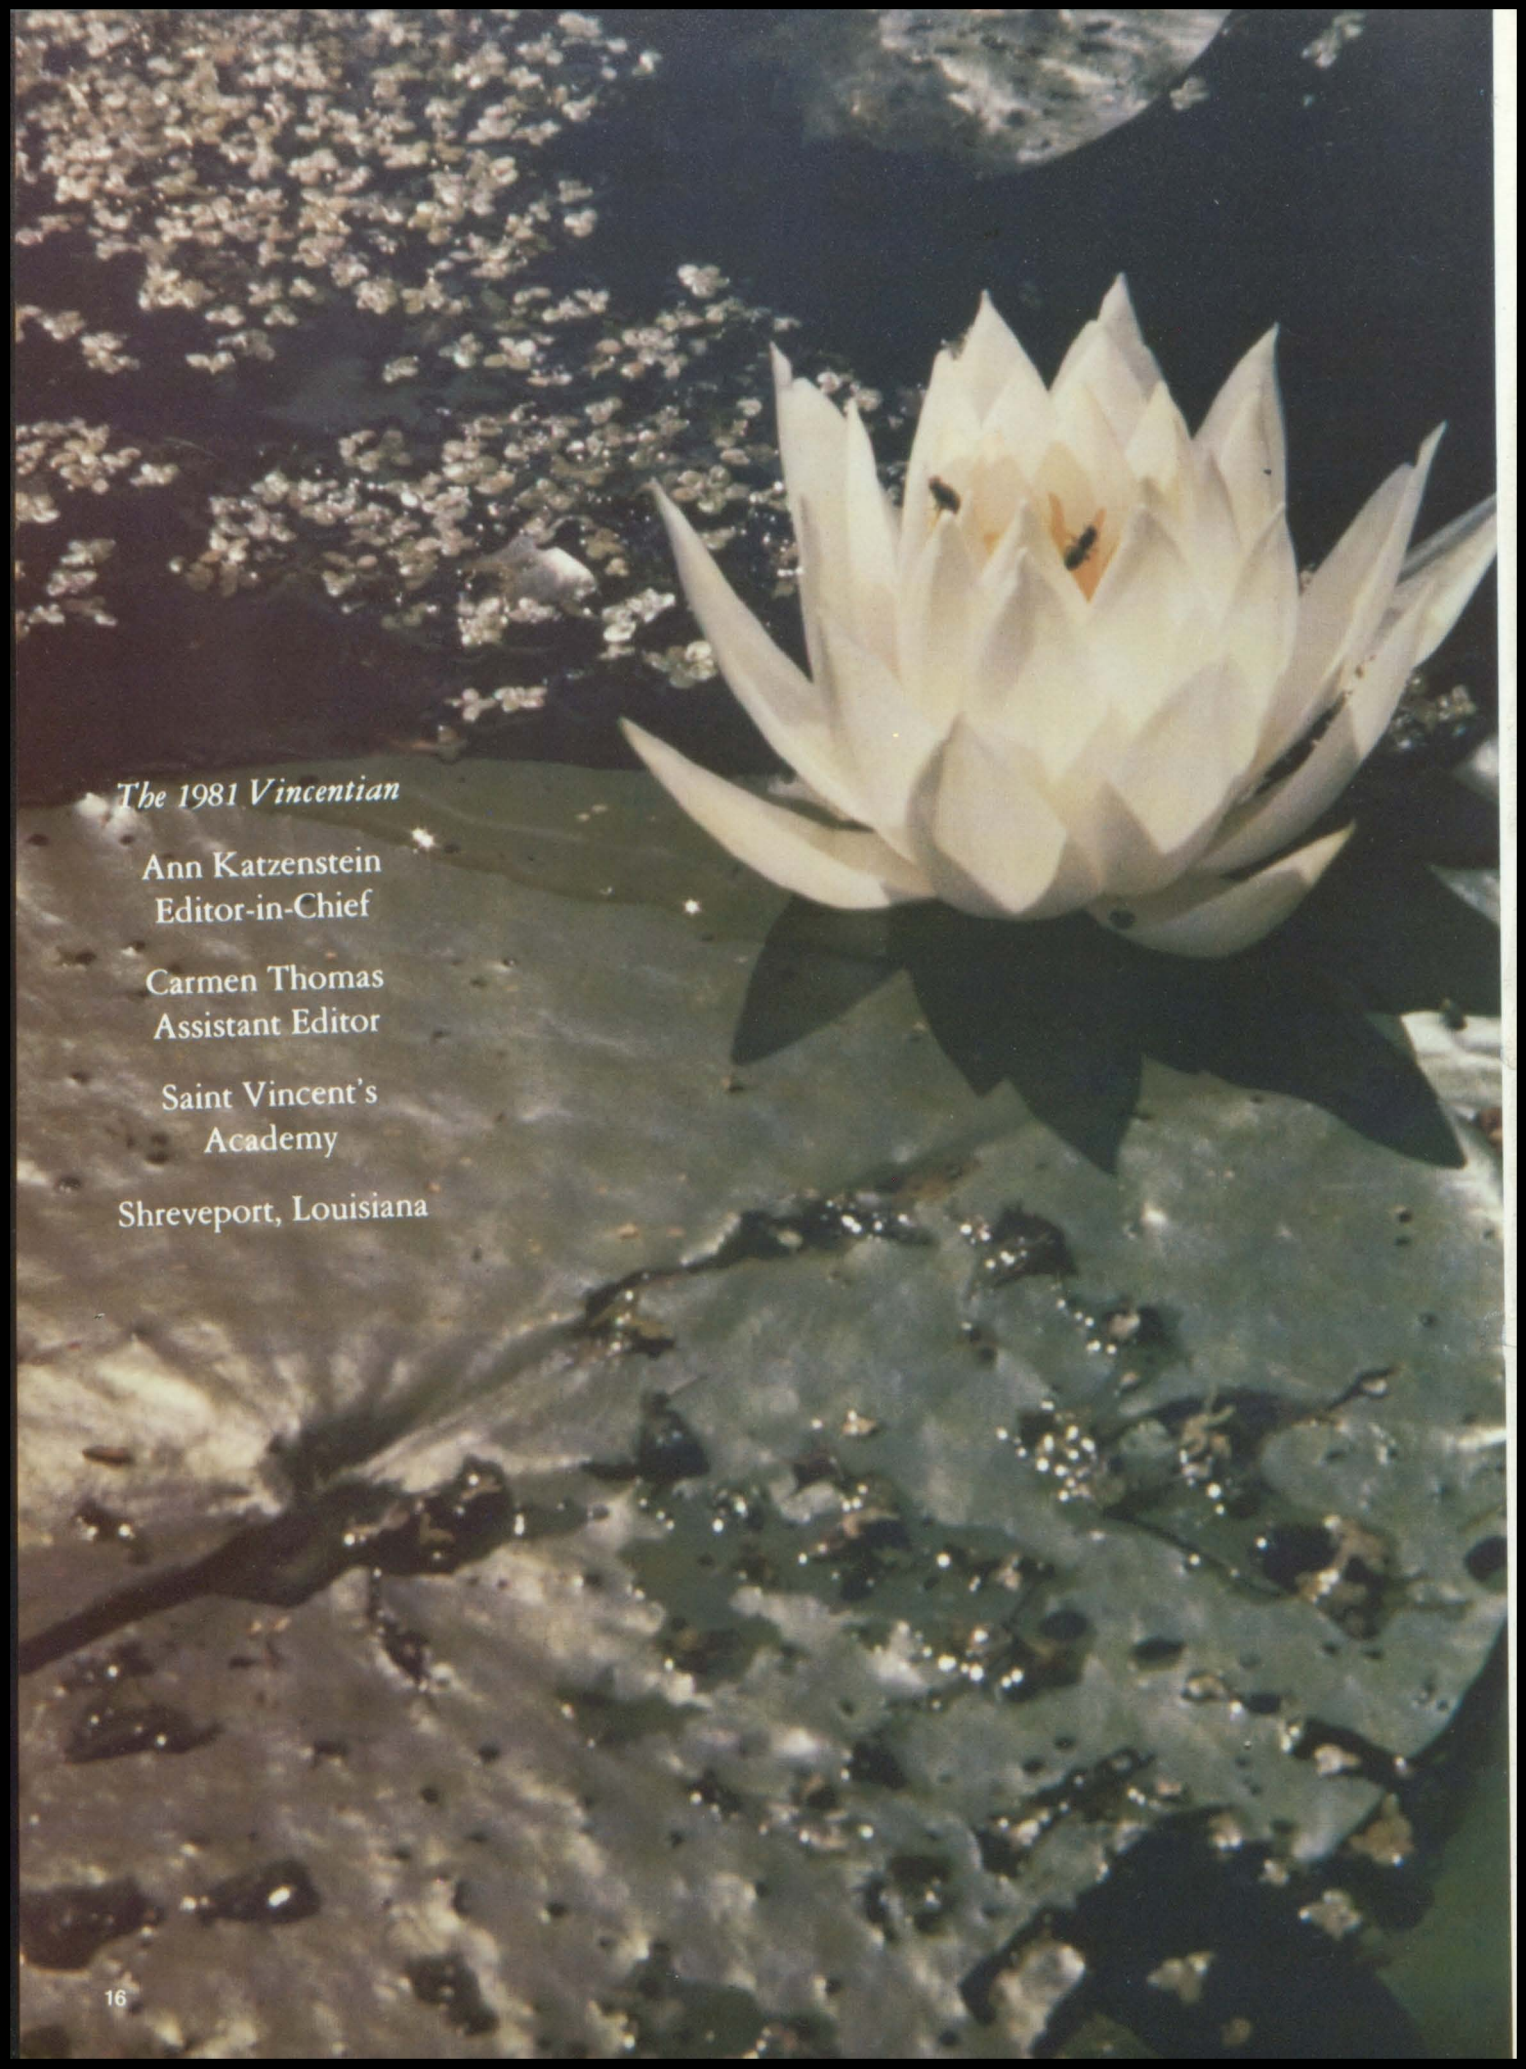

Weave duties and dreams in a pattern
To give beauty and strength to the soul.

1980 Jesuit Flyers

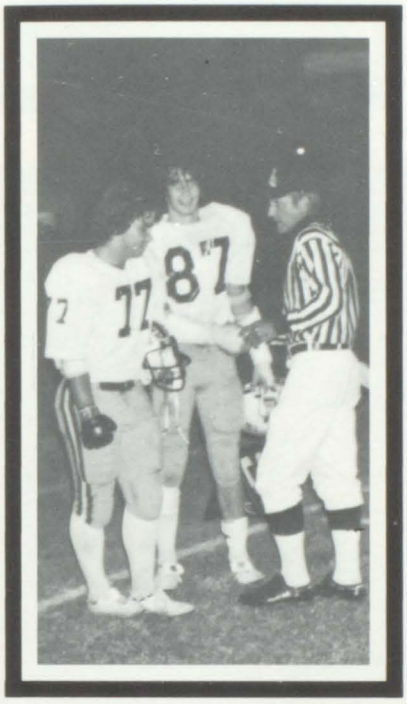

The Jesuit Flyers played an exciting first half of the season. Coach Catanese's Flyers worked very hard. Nevertheless, the Red Baron caught Snoopy and shot him down. But, we're still proud of our boys.

The Beat of a Different Drum

The Flyerettes of 1980 were a spirited group of sophomores, juniors, and seniors which kept up spirit at the Jesuit football games. The girls performed at each half-time game with a marching show. At the homecoming game they formed a fan. For the first time ever they performed a military routine to the theme of "Dallas." The Flyerettes were always on hand and did a wonderful job of promoting enthusiasm at the games.

Attentive members!

Lillian in charge!

The Student Council is an organization composed of those students elected by classes and organizations to represent them and give them a method of in put into school activities. Our activities have been numerous, including such things as these: the wild and wacky Field Day, with its skating races and water-balloon toss; Political Awareness Month, which gave us all a better perspective of local and national events; and Student Council Week, which was both constructive and very much fun.

We feel that 1980-81 has been a good year for Student Council. Members, the faculty, and the entire student body have been supportive and helpful; to all of them we extend thanks.

Officers busy at work!

A typical Saturday morning for the Vincentian staff.

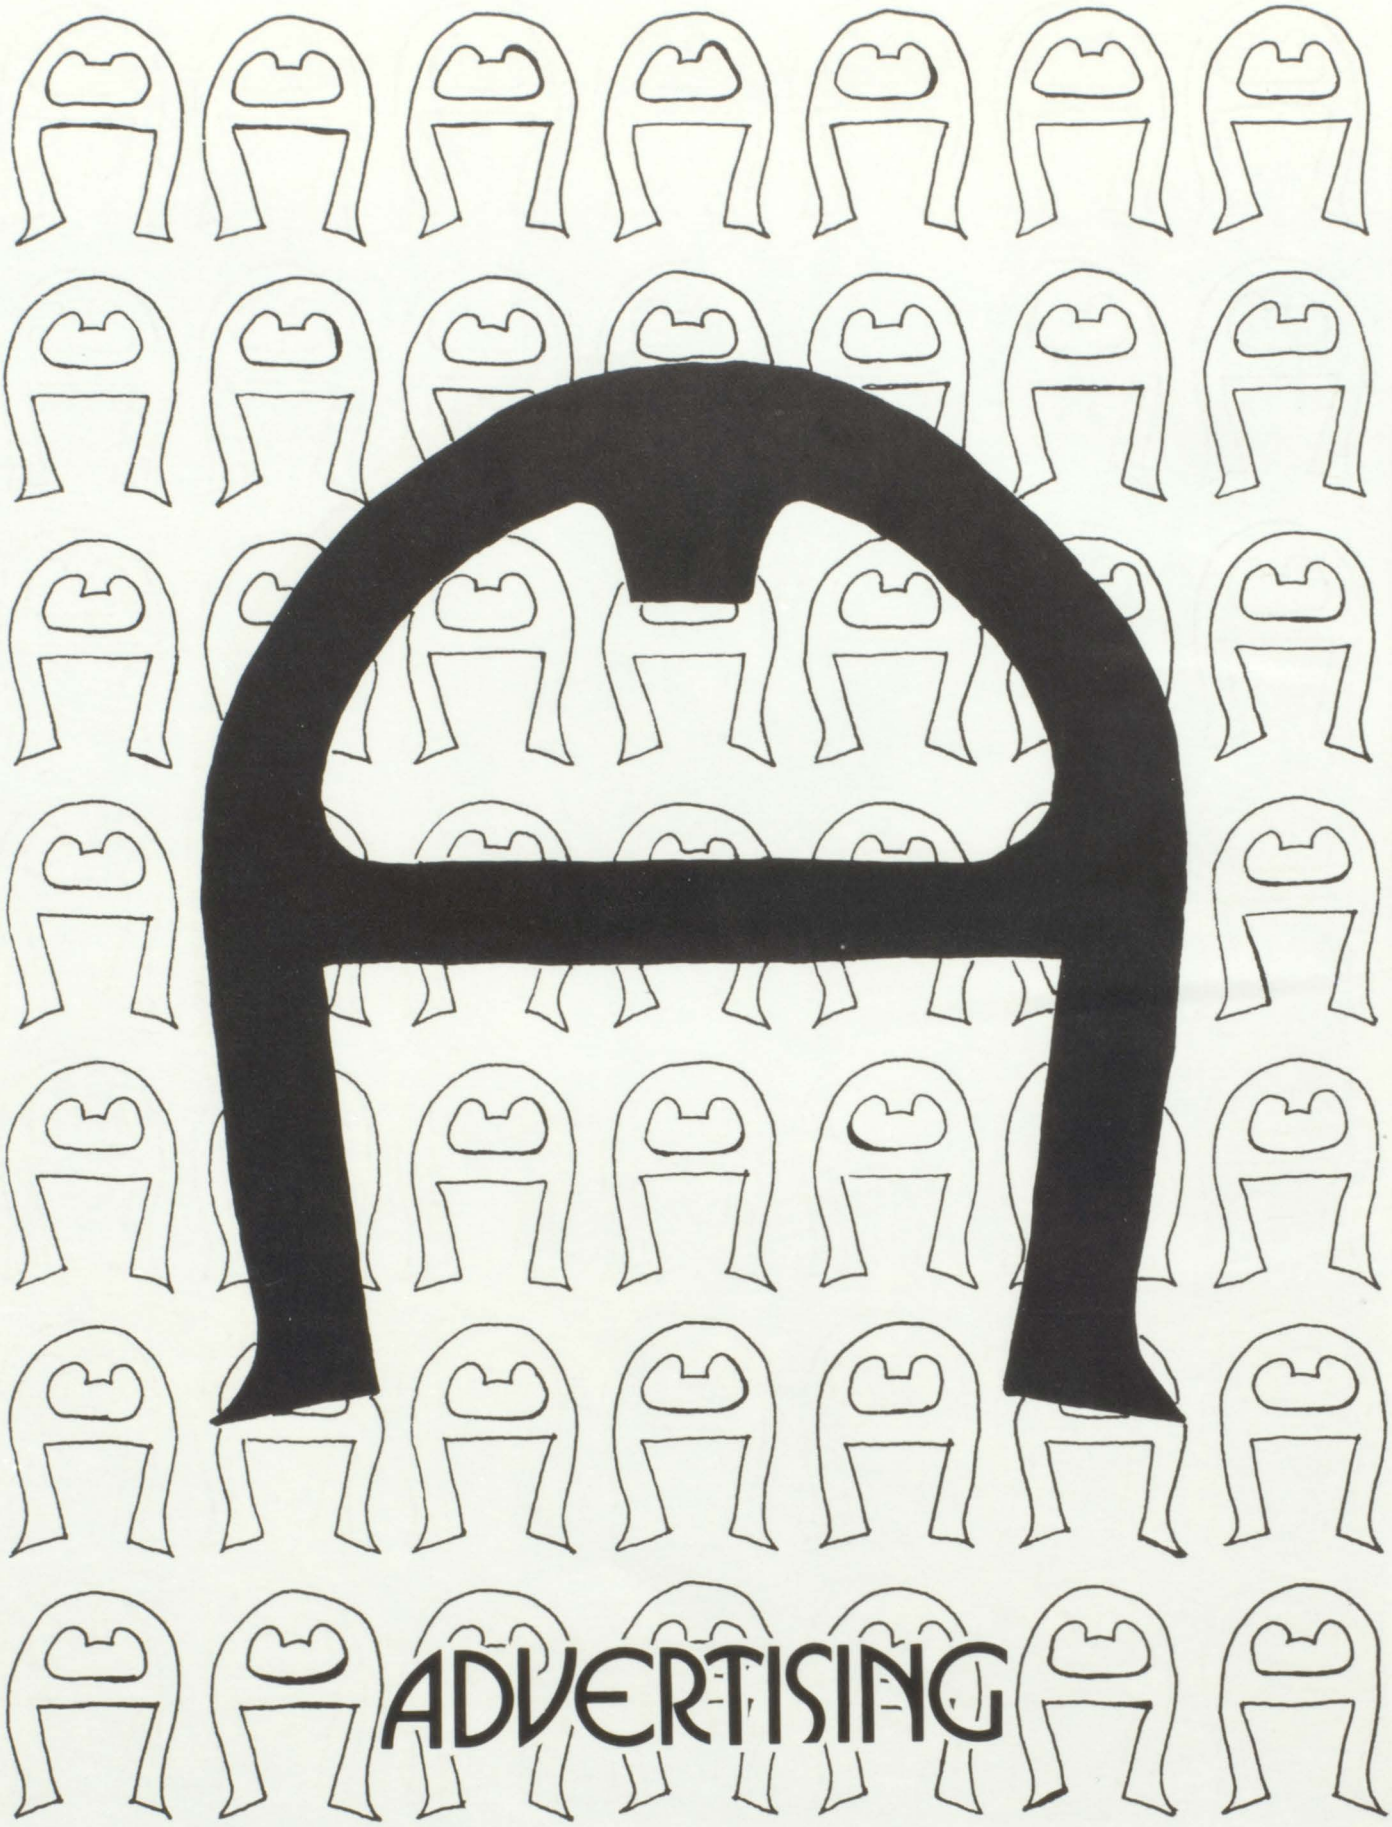

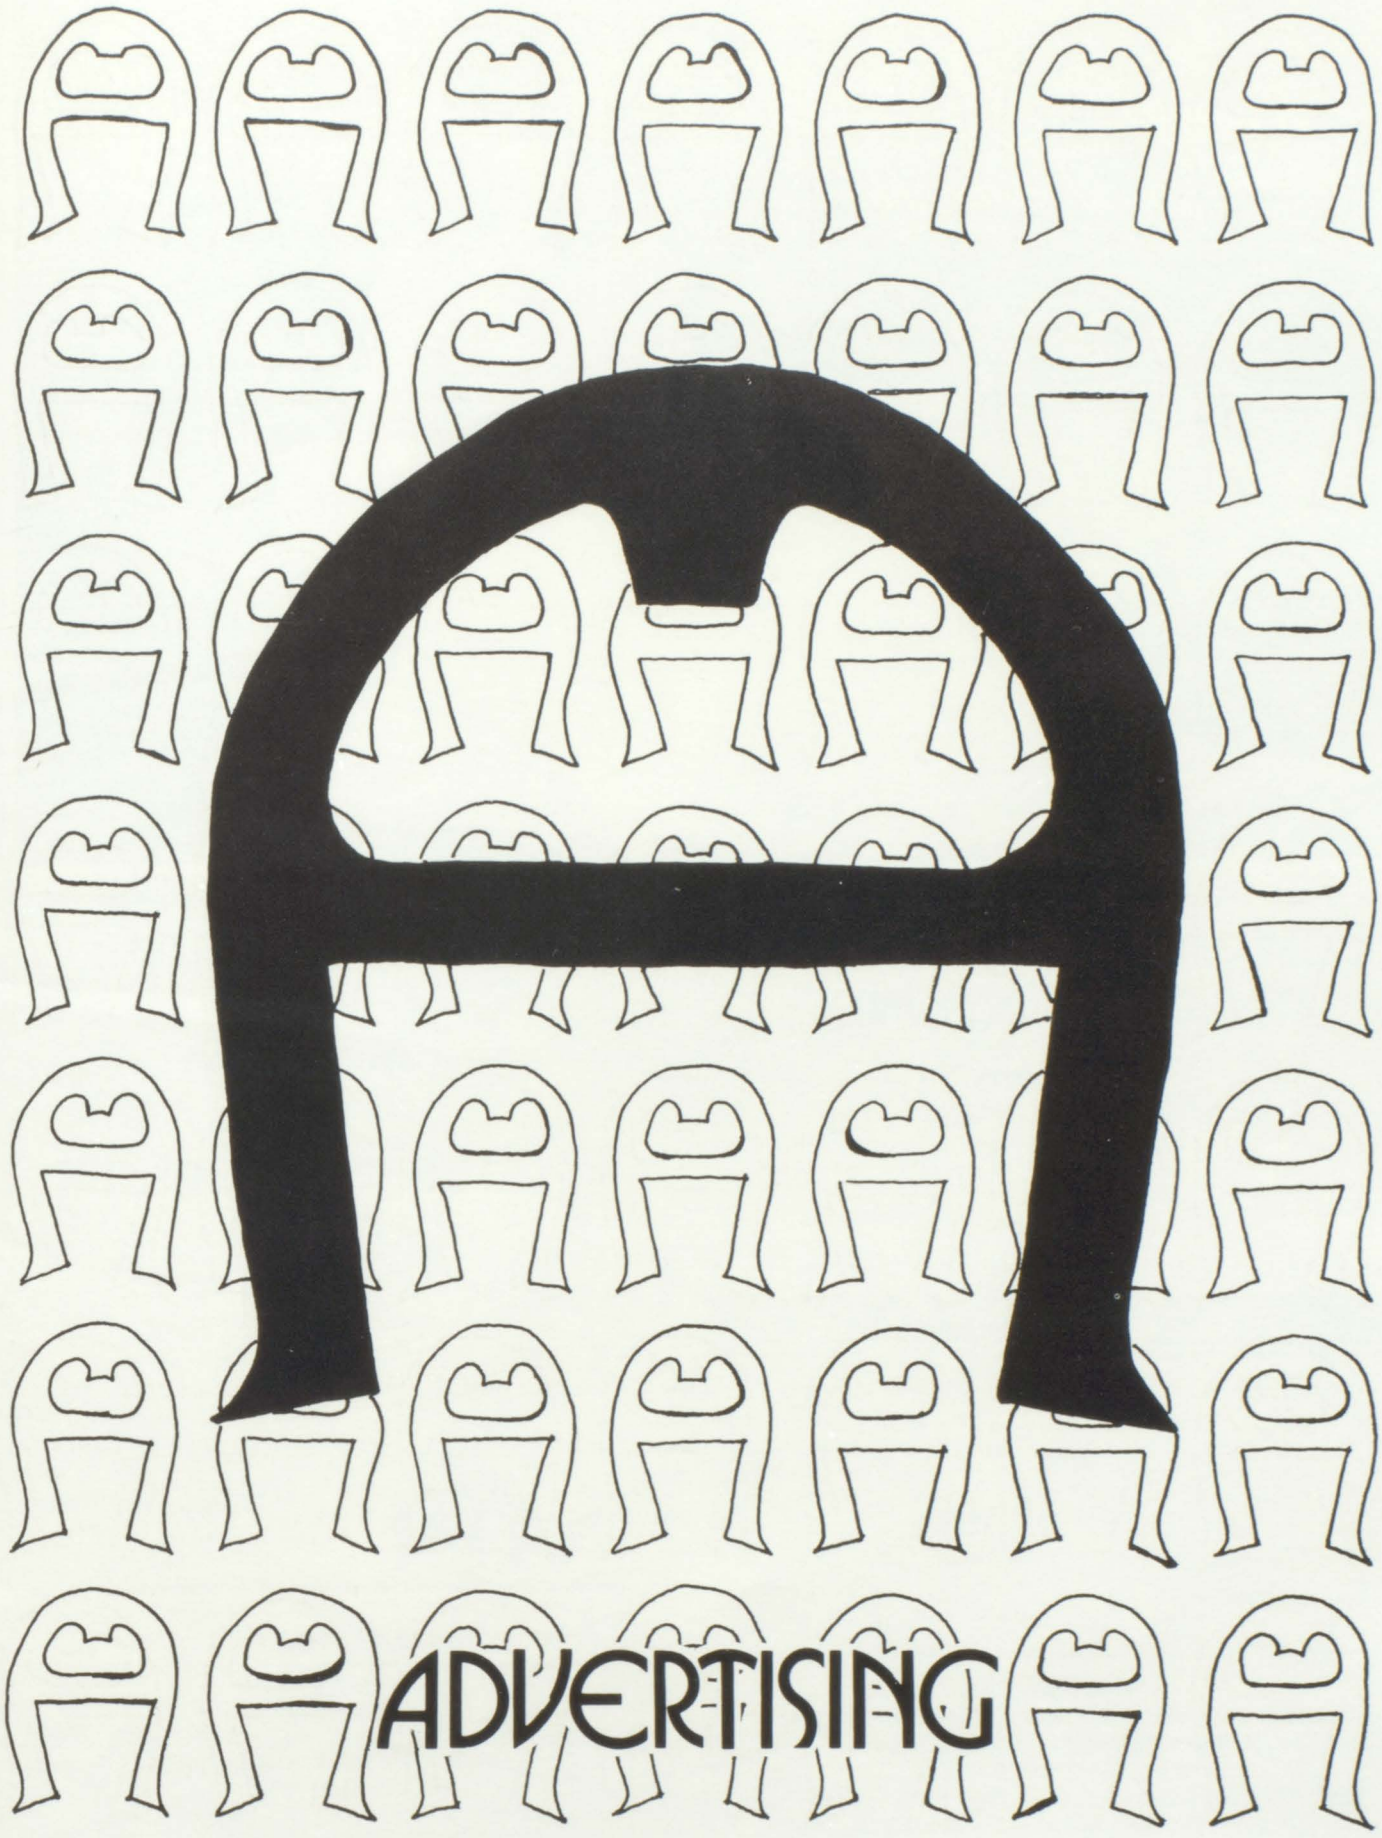

The 1981 Yearbook Staff

To produce this 224 page yearbook, 16 hard working, dedicated St. Vincent's students spent numerous Saturday mornings planning and completing the 1981 Vincentian. Eleven of the staff went to the Taylor Publishing Company's summer yearbook camp at Northeast University in Monroe. In seminars and classes they learned the mechanics of publishing a yearbook. The group was awarded a trophy for a superior planned yearbook. Individual honors went to Ann Katzenstein for third place cover design and Carmen Thomas for first place copy layout.

This year's staff was Ann Katzenstein (editor), Carmen Thomas (assistant editor), Julie Adams, Lisa Badzik, Christina Belcher, Mary Anne Cecola, Nancy Clearkin, Peggy Giglio, Phyllis Gullo, Annette Joe, Cathy Lalena, Sonya Montgomery, Mary Nettleton, Pam Payne, Caroline Picard, and Kellye Smith.

Western Electric

Western Electric's Shreveport Works plays a major role in helping keep people in touch nationwide. It annually produces over half of the new telephones used in the Bell System. Established in 1965 in Southwest Shreveport, Western Electric has experienced impressive growth, being, for the past ten years, Louisiana's second largest manufacturing facility. Over 6,700 employees work daily to provide high quality telephone sets and related equipment for use in the world's finest telecommunications network.
